Docket No.: JCLA12566

REMARKS**Present Status of the Application**

The indication of allowable subject matter in claims 6-8, 10-12 and 14-20 is noted with great appreciation.

Claims 1-3, 5 and 13 are rejected under 35 U.S.C. 112, first paragraph, as failing to comply with the enablement requirement. The claim(s) contains subject matter, which was not described in specification in such a way to enable one skilled in the art to which pertains, or with which it is most nearly connected, to make and/or use the invention. Claim 1 is rejected under 35 U.S.C. 102(e) as being anticipated by Chou (2003/0048120; hereinafter "Chou").

In response thereto, Applicant has canceled claims 1-3, 5 and 13 to overcome the Examiner's rejections set forth in the outstanding office action, and to expedite an earlier allowance of the above-identified application.
